

Cyber Ed 3 News

Cyber Ed Learning Centers—April/May 2010

Happy April everyone!

Important Dates to Remember:

Friday, April 2nd—Close early at 3pm

Monday, April 5th— CLOSED

Friday, April 23rd—2nd Annual Hop-A-Thon

May 2-8—Teacher's Appreciation Week

May 28—Graduation

Please remind those that may drop off or pick up your children of these important dates and times.

Remember too, our newest services:

Did you know you can pay online with your credit card? It is a free service! Just visit our website (www.ecybered.com) and click on the Pay Tuition Online button.

The Cyber Ed website's newest feature, on the Just For Parents page, is a list of recalls by the Consumer Product Safety Commission (CPSC) which is also posted upon each center's entrance bulletin boards. We faithfully check these bulletins to ensure the safety of all of the equipment here at Cyber Ed—now you can ensure safety at home too.

Our newest security measure are ID badges for our teachers. You will see your child's teacher will be sporting one of these new photo badges for easy, instant identification.

As you can see, we are growing and expanding our services to bring you the best...and there is more to come...Stay tuned!

~ Your Cyber Ed Staff

Infant News

With the weather changing please remember to bring in jackets for your child — it is still cool in the mornings when we go out.

Also a reminder to check your child's bag daily for supply requests or other information.

Happy Birthday to Presley—April 20th

Everyday we are one more hop closer to our Hop-a-Thon! We are hoping for a Bye-Bye Buggy!

~ Ms. Carol & Ms. Katrina

Toddler News

As April and May approach the Toddlers are looking forward to the warm weather—please provide any sunscreen, caps, etc. for your child's protection from the sun. To incorporate these bright sunny days into our curriculum, we will be introducing the children to nature walks and scavenger hunts. Your child will need appropriate shoes (no open toe shoe) and seasonal clothing.

~ Ms. Kiana and Ms. Mary

Preschool News

We are almost to the end of our school year! Our class has accomplished so many goals in these past months, and there are many more fun things to learn before our little ones move on to new challenges.

Please continue to practice numbers, alphabets and to read stories and then ask questions about the story.

More details on projects and activities will follow.

With warmer weather and longer days, repeated long days in school can cause behavioral problems. Please be aware of your child's extended days and weeks.

Happy Birthday to Logan—May 24th

Have a wonderful Easter holiday!

~Ms. Dean & Mr. Patrick
